How do I get my parent portal account?

All portal accounts require a 1-time activation to create your ID and password. You must be a parent/guardian of a current FCS student to activate an account. To verify identity, you will be asked to provide the following information about 1 student in your household:

- Student first and last name (as entered on birth certificate)
- Student ID number
- Student Date of Birth (MM/DD/YYYY)
- Student grade level (20-21 grade level)

Please note: If you are unable to activate your account by answering the verification questions, please contact your local school.

Step 3: Enter your email account

It should be the same email you provide to school during the enrollment of your student
